Sub: Complaint to the Insurance Ombudsman under the Insurance Ombudsman Rules, 2017 against The Oriental Insurance Co. Ltd. (Dadar D.O., Code 132900) and MD India Health Insurance TPA Pvt. Ltd. (ID YA0000000334) — wrongful cancellation / non-renewal of Mediclaim Policy No. 132900/48/2026/9052, false denial of policy records, and repudiation of a valid claim, against a 78-year-old senior citizen with 14 years of continuous cover. Reliefs sought: (i) retroactive reinstatement of the policy with full continuity, and (ii) settlement of the pending medical claim on merits.

Ref: IRDAI Bima Bharosa Complaint No. 06-26-015022 dated 15/06/2026 (“Escalated”; due 30/06/2026; grievance finally rejected by the Insurer on 08/07/2026).

Respected Sir / Madam,

We are the daughter and son-in-law of, and authorised representatives for, Dr. Jagdish Natwarlal Nanavati, aged 78 years (Date of Birth: 26/02/1948; Insured’s Code 53804847), a senior citizen who is not conversant with digital systems and who has, at all material times, relied on physical documentation and on the representations of the Insurer and its authorised agent. This complaint is filed after the Insurer repudiated the claim and, after the mandatory redressal timeline had lapsed, finally rejected our grievance by email dated 08/07/2026.

Dr. Nanavati has held a Mediclaim policy with The Oriental Insurance Co. Ltd. continuously and without any break for 14 years, since 28 February 2012. Under the immediately preceding policy (No. 132900/48/2025/9247) the Insurer had successfully settled Claim No. 132900/48/2026/00000502 for Rs. 1,83,456/-. There has never been a single lapse, dispute or default in this relationship.

For the renewal year 2026-27 the renewal premium of Rs. 28,199/- was duly paid on 10/02/2026 by cheque to the Insurer’s authorised agent, Smt. A. A. Karmalkar (Agent Code BA0000037661), functioning under Development Officer Mrs. Prachitree Gawade (Code NY0000000012). The instrument was Cheque No. 000625 dated 03/02/2026 drawn on Bank of Baroda, Malad (East) (A/c 12470100000001), recorded by the Insurer as Collection No. 1085009636 dated 10/02/2026.

On 12/02/2026 at 10:14:14 IST the Insurer generated and **digitally signed** the official “Oriental Mediclaim Insurance Policy (Individual) – 2024 Policy Schedule” bearing the new Policy No. 132900/48/2026/9052, Sum Insured Rs. 3,00,000/-, period of insurance 28/02/2026 to 27/02/2027, showing the premium as collected. The Insurer’s authorised agent, who had collected the renewal premium, at all material times treated the policy as subsisting, and the agent’s official application reflected the policy as being in force. Relying in good faith on this digitally-signed schedule and on the agent’s assurance, the family — an elderly, non-technical household — reasonably believed the renewal was complete.

It later transpired that the cheque had been returned on 13/02/2026 — not for insufficiency of funds, but because of a temporary debit-freeze on the account arising from a Re-KYC formality. This is confirmed in writing by Bank of Baroda (letter dated 02/06/2026): the account balance on the date of presentation was Rs. 3,12,401.51 (far exceeding the premium), the return was solely due to “Account debit freeze due to Non-compliance of timely Re-KYC updation”, and the Re-KYC was duly complied with on 04/03/2026. There was thus no insufficiency of funds and no wilful default whatsoever.

Crucially, the Insurer never served any written notice of dishonour, nor any cancellation notice, upon the senior-citizen policyholder or the agent. Had any intimation been given, the modest sum of Rs. 28,199/- would have been paid instantly in cash or by demand draft, well within the grace period. Instead, having issued a digitally-signed schedule, and with even its own authorised agent treating the policy as in force, the Insurer allowed the family to remain in the settled belief that the cover subsisted.

In May 2026 the insured underwent medical treatment. The claim was intimated on 13/05/2026 and the complete claim papers were submitted to the Insurer’s office on 27/05/2026 through the agent. Tellingly, on 28/05/2026 the Insurer’s own authorised agent wrote to the TPA and to the Divisional Office (132900@orientalinsurance.co.in) confirming that she had submitted the claim papers on 27/05/2026 and requesting that a claim number be issued — that is, more than three months after the supposed February 2026 cancellation, the Insurer’s own agent was actively pursuing the claim, plainly unaware of any cancellation. The “cancelled” status surfaced only when the claim was rejected. The claim was thereafter repudiated: by the TPA, MD India (Ms. Pranita More, Grievance Dept., 17/06/2026), on the ground that the policy was “showing as cancelled... due to the dishonour of the premium cheque”; and by the Dadar Divisional Office (Ms. Kitty Singla, Manager, 10/06/2026), which asserted that “there is no record of a new policy generated in our system, hence the claim will not be payable.” That assertion is directly and demonstrably false, being contradicted by the Insurer’s own digitally-signed Policy Schedule of 12/02/2026.

A formal grievance was lodged with the Insurer by email dated 02/06/2026 and thereafter on the IRDAI Bima Bharosa portal on 15/06/2026 (Complaint No. 06-26-015022, category “Insurer cancelled policy arbitrarily without serving notice”). Although the complaint was marked “Escalated” and shown as due for redressal by 30/06/2026, that deadline passed without resolution. Finally, by email dated 08/07/2026, the Insurer’s Deputy Manager (Ms. Vijayshree V. Shirodkar, Dadar B.O.), replying to the escalated grievance, stated that the matter had been taken up with higher authority and that the “competent authority” had decided the policy “stands cancelled” on account of the cheque dishonour, and that no claim would be admitted. The internal remedy thus stands exhausted by an adverse final decision, compelling this complaint before your good office.

Grounds of Complaint

1. **The Insurer's own record disproves its denial.** The digitally-signed Policy Schedule of 12/02/2026 (10:14:14 IST) conclusively falsifies the branch's claim that "no record exists" of the renewed policy.
2. **No insufficiency of funds; no wilful default.** The cheque was returned only because of a Re-KYC debit-freeze; the account held Rs. 3,12,401.51, as certified by Bank of Baroda. The "void ab initio on dishonour" clause cannot equitably be invoked where the return was a bank-side KYC formality, funds were amply available, and the Insurer had already issued a signed schedule.
3. **Breach of the duty to give notice.** An insurer cannot silently drop a 14-year policy on a technical cheque return without proper written notice and an opportunity to cure within the grace period. A bare system log or unverified outbound alert is not a substitute for documented notice served on a vulnerable senior citizen.
4. **Estoppel — the Insurer is bound by its own agent's conduct.** The principal (Oriental Insurance) is bound by the acts and representations of its authorised agent. The agent collected the renewal premium and, in May 2026, herself submitted the reimbursement claim to the Divisional Office — conduct showing that even the Insurer's own agent treated the policy as subsisting. Having issued a signed schedule and so held the policy out as in force, the Insurer is estopped from now denying its existence, the more so because this prevented timely corrective payment within the grace period.
5. **Gross deficiency of service and apathy toward a vulnerable senior citizen,** aggravated by the false "no record" assertion and the failure to redress the Bima Bharosa grievance within the mandatory timeline.

Reliefs Prayed For

The complainant respectfully prays that this Hon'ble Ombudsman be pleased to:

- (a) **Direct reinstatement of the policy** — revive Policy No. 132900/48/2026/9052 retroactively (period 28/02/2026–27/02/2027) with full restoration of the 14-year continuity benefits and waiting-period credits, upon the complainant's immediate payment of Rs. 28,199/- by cash / demand draft; and
- (b) **Direct settlement of the pending claim** — direct the Insurer and MD India TPA to process and settle, on merits and under the revived policy, the medical claim intimated on 13/05/2026 (papers submitted 27/05/2026).

We request an opportunity of personal hearing and shall produce all originals for inspection. The documents relied upon are listed in the enclosures to the accompanying complaint form (Annexure VI-A).

Yours faithfully,

Dr. Jagdish N. Nanavati (Complainant / Policyholder)

Dr. Jigisha J. Shah (Authorised Representative)

Subject: Request for Urgent Revival of Lapsed Health Insurance Policy No: 132900/48/2026/9052 with Continuity Benefits and Processing of Medical Claim for Senior Citizen

Respected Sir/Madam,

I am writing to formally lodge an urgent grievance regarding the unfair lapse of our family's long-standing health insurance policy, Policy No: 132900/48/2026/9052, held by my father, DR. JAGDISH N. NANAVATI, aged 78 years (DOB: 26/02/1948).

My father is a senior citizen and a loyal policyholder with Oriental Insurance, maintaining uninterrupted continuity for 14 consecutive years since 28-FEB-2012.

For the policy renewal period starting 28/02/2026, we acted in complete good faith and issued Cheque No: 1085009636 on 10/02/2026 for the gross premium amount of Rs. 28,199/-.

We have recently been shocked to discover that the cheque was returned due to an internal administrative/KYC-related issue. Crucially, neither Oriental Insurance nor our bank sent any SMS, email, written letter, or phone call notifying us of the cheque return or the impending policy lapse during the grace period.

Further, throughout this period, the servicing agent informed us that the policy continued to appear as "ACTIVE" on the official Oriental Insurance portal available to him. Given our long-standing relationship with the agent and his reliance on the information displayed in Oriental Insurance's own systems, we had absolutely no reason to suspect any renewal or payment issue.

Further, during this period we remained in regular contact with the servicing agent regarding my father's medical treatment. We had specifically approached the agent to understand the procedure for availing cashless hospitalization benefits under the policy and thereafter also submitted documents for reimbursement processing. Throughout these interactions, the agent continued to treat the policy as active and guided us regarding claim-related procedures. Even on the day the issue came to light, the agent informed us that the policy had been showing as "ACTIVE" on his portal until he became aware of the lapse status. At no point during these discussions, submissions, or follow-ups were we informed that the policy had lapsed or that any renewal payment issue existed. Had such information been communicated to us, we would have immediately rectified the situation.

My father recently required medical treatment, and upon approaching the TPA, M/S MD India Health Insurance TPA Pvt. Ltd. (TPA ID: YA0000000334), we were informed for the first time that the policy had been marked as lapsed.

As per established insurance and consumer protection principles, a long-standing policy, especially for a vulnerable 78-year-old senior citizen, should not be silently lapsed without proper written communication or notice following a cheque dishonour.

Further, since the information available to the servicing agent through the official Oriental Insurance portal indicated that the policy was active, and no contrary communication was ever issued to us, we were

prevented from taking corrective action during the grace period despite having a clear bona fide intention to renew the policy and maintain uninterrupted coverage.

Considering my father's advanced age, his 14-year uninterrupted history with Oriental Insurance, and the fact that a previous major claim of Rs. 1,83,456/- was successfully settled under the preceding year's policy (Claim No: 132900/48/2026/00000502), we sincerely request your immediate intervention and relief in this matter.

We respectfully request:

1. Revival of Policy No: 132900/48/2026/9052 with continuity benefits intact.
2. Restoration of all accumulated continuity benefits, including waiting period continuity, pre-existing disease coverage continuity, and cumulative benefits earned over the last 14 years.
3. Permission to immediately pay the pending premium amount of Rs. 28,199/- through any payment mode prescribed by your office.
4. Direction to MD India TPA to process the ongoing medical reimbursement claim under the applicable Sum Insured.

Kindly provide us with a formal grievance registration number upon receipt of this letter.

We are ready to provide any further information or documents required by your office, and the concerned agent already has access to the complete policy details and records.

Thanking you.

Yours sincerely,

Dr. Jigisha Shah
(Daughter of the Insured)

Dear Sir/Madam,

We acknowledge your email stating that the policy stands cancelled due to a cheque dishonour. We strongly contest this position. The fault lies entirely with the operational and communication failures of Oriental Insurance and its authorized agent, not the policyholder.

Please note our formal legal counter-response to your contentions:

- 1. Contradiction Regarding System Records:** Your statement that there is "*no record of a new policy generated*" is factually incorrect and falsified by your own system outputs. We hold the official, system-generated **Policy Schedule to Pay Premium** for Policy No: 132900/48/2026/9052, which was generated by your database backend on **12/02/2026 at 10:14:14 IST**. The generation of this official schedule with a dedicated policy number proves your system acknowledged and processed the renewal transaction upon receipt of our cheque.
- 2. Legal Estoppel via Agent App & System Output:** Because your system generated this formal schedule and your authorized agent's official Oriental Insurance application interface continually displayed the status of this policy as **"ACTIVE"** throughout February, March, and April, any reasonable consumer would conclude the premium was realized. Under **Section 237 of the Indian Contract Act**, the principal (Oriental Insurance) is legally bound by the representations made by its agent and its software platforms. Your systems actively misled us, directly preventing us from taking corrective payment actions during the 30-day grace period.
- 3. Proof of Intimation Demanded:** Your email states the cancellation was "*intimated to you.*" Under settled consumer law, the mere generation of an automated outbound alert is legally insufficient. Please provide the physical **Registered Post Acknowledgement Due (RPAD)** receipt or electronic delivery logs proving that a statutory cancellation notice was successfully delivered to the 78-year-old policyholder in February 2026. A silent system cancellation without verified delivery of notice violates settled consumer law (*State Bank of India v. Nakul Chandra Ghosh*). [2]
- 4. Bona Fide Intent:** The premium was submitted in good faith well before the due date, and our bank account held a sufficient balance, proving there was no willful default.

Denying medical cover to a vulnerable 78-year-old senior citizen with a **14-year unblemished renewal history** due to your internal administrative errors constitutes a gross **Deficiency of Service**.

We are ready to clear the premium amount of Rs. 28,199/- via cash or demand draft immediately. If the policy is not retroactively revived with continuity benefits to clear our current medical claim within **3 business days**, we will escalate this entire trail to the **IRDAI Bima Bharosa Portal** and file a formal case with the **Insurance Ombudsman (Mumbai)** entirely at your company's legal risk and cost.

Yours sincerely,

Dr Jigisha Shah

This has reference to trail mails with regard to subject claim.

We had taken up the matter with our higher authority. Our competent authority had advised that due to cheque dishonour the policy stands cancelled and therefore, no claim will be admitted/registered under the said policy No. 132900/48/2026/9052".
