To,
The Visa Officer
Immigration New Zealand

Respected Sir/Madam,

I, Mr. Mahendrakumar Shah, holder of Indian passport number S7530248, along with my wife, Mrs. Asha Mahendrakumar Shah, holder of passport number S7530252, respectfully submit our application for a Tourist Visa to visit New Zealand.

We are planning a short vacation trip to spend quality time together and to experience the breathtaking natural beauty, tranquil environment, and rich cultural heritage for which New Zealand is widely admired. Visiting your country has long been our dream, and we look forward to exploring its scenic landscapes, national parks, and vibrant Māori culture.

I am now retired after many years of active professional engagement in business. Throughout my career, I have conducted my work with sincerity, responsibility, and integrity. In my retirement, my wife and I wish to fulfil our shared aspiration of travelling together and enjoying a well-deserved and memorable holiday.

We are financially stable, with sufficient savings and investments to comfortably cover all expenses related to our travel, accommodation, transportation, and daily living costs during our stay in New Zealand.

We have previously travelled to countries including Switzerland and the United Arab Emirates. These experiences have enriched our lives, and we now look forward to exploring and appreciating the beauty and culture of New Zealand.

Our proposed travel is scheduled to commence on 26 March 2026 for a duration of 14 days. We have booked a guided tour through Freedom Tourism Limited, a reputed travel agency. During our visit, we plan to explore major tourist attractions, national parks, and cultural sites.

We kindly request you to consider our application and grant us tourist visas for this visit. All supporting documents, including financial statements, travel itinerary, and bookings, are enclosed for your kind perusal. Should you require any further information or clarification, we will be pleased to provide the same.

Thank you for your time and consideration. We sincerely appreciate your support in processing our visa applications.

Yours faithfully,

(Mahendrakumar Shah)
